Thankful

Please join us on November 10th at 3:30 PM in the dining room for a special ceremony to honor our Veterans. We are privileged to have the Dubuque Marine Corps League here again to conduct this annual tradition. We wish to invite all family and friends to attend this program of recognition.

Now through December 7th is the annual open enrollment for Medicare drug plans – also known as Part D plans. We have a SHIIP office in our library that serves the needs of anyone that needs advice in choosing the dozens of insurance policies that are available for drug coverage. You can make an appointment by calling (563)583-3384.

Best wishes for a Happy Thanksgiving! We are very thankful that we have such a great family at Sunset Park Place and we are blessed to be of service to you.

Have a great month!

Juke History

The jukebox has been around throughout many musical eras: big band, jazz, country, blues, and rock and roll. November 22, Jukebox Day, commemorates the day the first jukebox was installed in the Palais Royale Saloon, in San Francisco, California, in 1889. The history of the jukebox begins with inventor Louis Glass, who began his career working the telegraph and telephone lines. In 1880, Glass switched careers to the new technology of the phonograph and invented a machine that would play music from a wax cylinder at the drop of a nickel. When Glass boasted that his 15 machines had raked in over \$4,000 in six months, copycats hurried to replicate his music-playing machine. The word *juke* originated with the juke, or jook, joints of the early 1900s, where rural laborers could congregate to drink, dance, and gamble. *Join us for Daniel O'Donnell Rock n' Roll on Tuesday, November 21st at 1:30 in the Activity Room.*
